Classroom Expectations:

With your partner – Brainstorm classroom expectations. Use the following questions as prompts:

1) What does "*own your learning*" mean?
2) What <u>does</u> appropriate classroom behavior look like?
3) What <u>doesn't</u> appropriate behaviour look like?
4) We share this classroom with other classes. What should we expect of each other
5) What are habits/traits of effective learners?
6) What should you be able to expect of your classmates during class?

Choose your top 5 expectations and submit them through the following google form:
