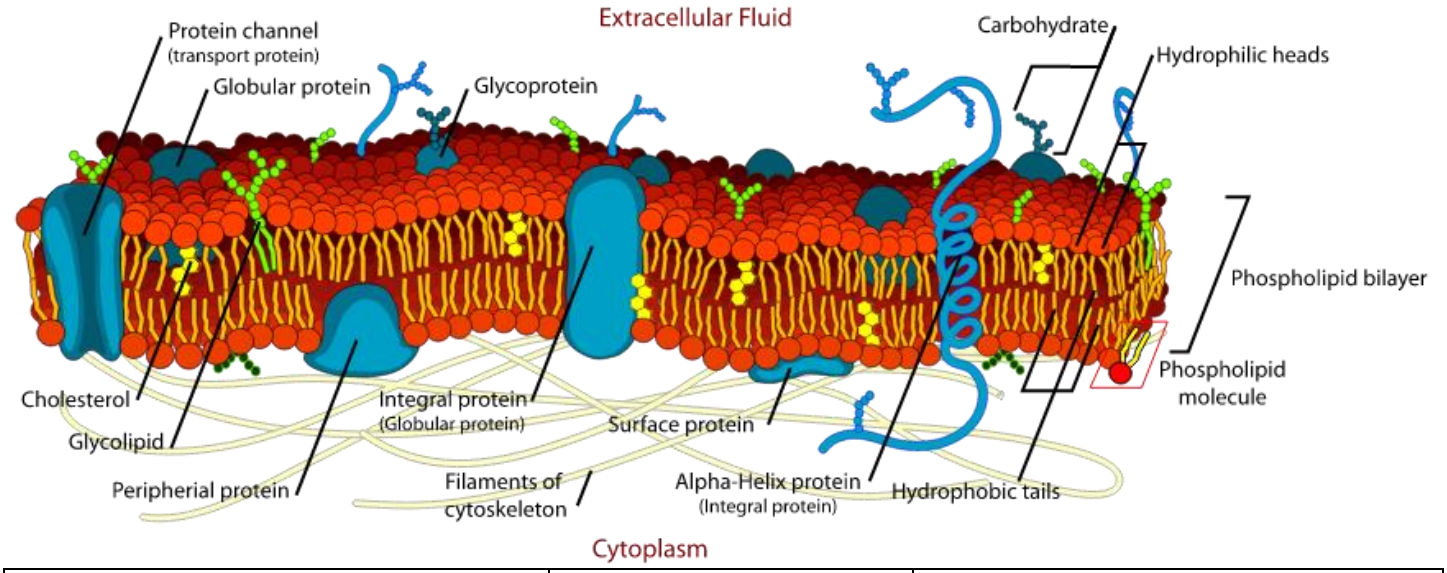
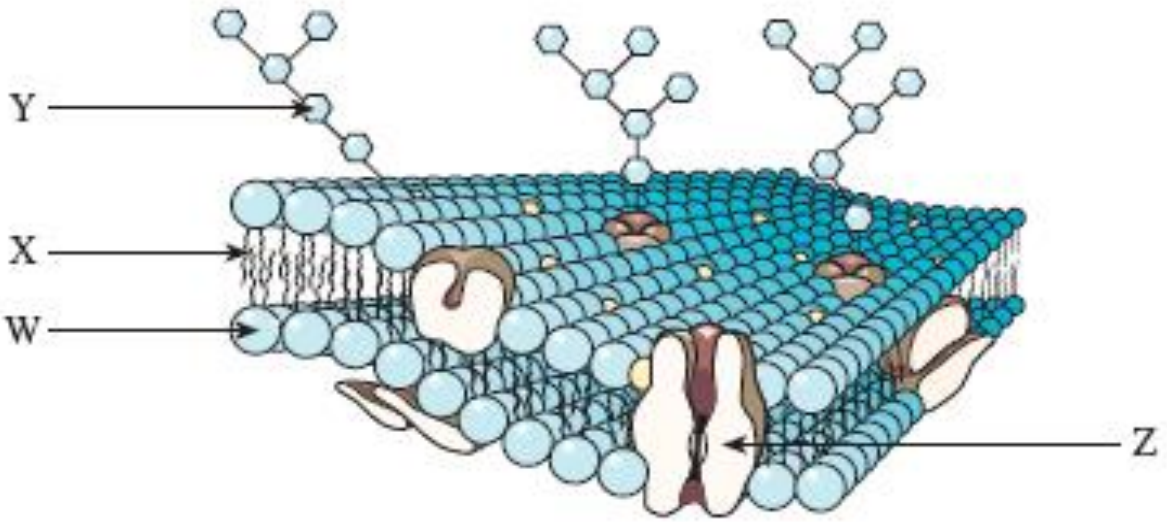
Cell Membrane – Notes Page 1 **Name: _____**

Parts and Functions



Part		What does it look like/where is it?	Function
Phospholipid bilayer			
Cholesterol			
Glycolipids			
Peripheral proteins	Receptors		
	Enzymatic		
Integral proteins	Channel Proteins		
	Carrier Proteins		
Glycoproteins	Recognition proteins		
Cytoskeleton			

Try This:



1) Label W, X, Y, and Z

2) Which labelled structure is responsible for cell recognition and communication?

3) What is this structure called? _____
